# Why are we changing the LMS experience?

It takes effort to learn something new and change can be uncomfortable.

We are changing because it is the right thing to do - not just for NetAcad but also for our beneficiaries.

Here are our reasons why...

## Global Reach

fast, highly available platform that empowers learning in every corner of the world

## Unified Experience

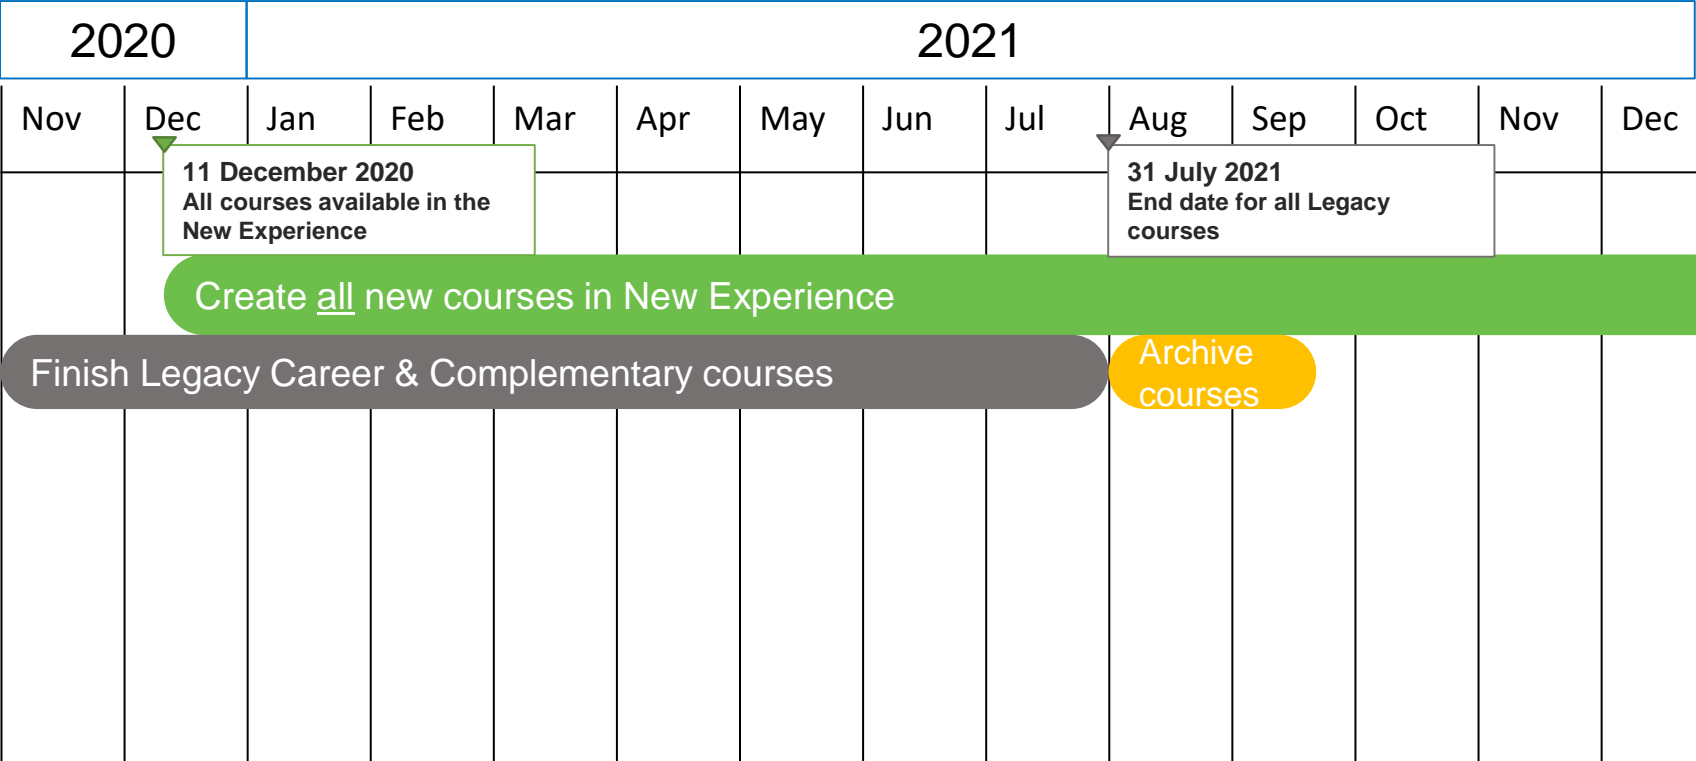

help users leverage the whole platform quicker and with less effort

## More Control

empower instructors to customize the learning experience in their courses

# Phase 2 - Remaining Milestones

# Easing the Transition

All legacy courses ending by 31 July 2021

**Complete legacy courses by 31 July 2021**

Inform students of the need to finish them up  
For students who will be unable to finish, enroll them in a new course in created in the new experience

**Pull all customizations from legacy courses before they are archived**

Custom assignments and assessments  
Export question banks  
Download PDFs, PowerPoints, Videos, etc.

**Finalize the gradebook in courses before they are archived**

Finalize grades  
Mark students complete

**Export the gradebook before courses are archived**
